

# LANGUAGE INSTITUTE

## WHO QUALIFIES?

There are two requirements to join the Language Institute:

1. **Student must have been enrolled in US schools for less than one full year**
2. **Student does not know English**

## OTHER OPTIONS!

Every school in Modesto City Schools provides opportunities to learn English.

If your student can speak a little English, or if your student has plenty of English exposure, your home school offers Academic Language Development courses that may better suit your student's English needs.

## WHAT IS IT?

The Language Institute offered at Davis High School is a One year-long program for newcomers. Qualifying Students will be enrolled in our two specialized English classes for a maximum of one year:

**Foundations of Language, and Foundations of Literacy.**

Students will also be enrolled in four other classes, all of them being CP or Elective classes. All classes are taught in English, and support in the form of paraprofessionals and tutoring will be available.

## TRANSPORTATION

Transportation will be provided to your student while enrolled in the Language institute, but transportation to Davis high School may not be guaranteed once your student completes one year in the Language Institute.
